DR. BLEDSOE'S ALTERATIVE COMPOUND

Marring, Teon., April 17, 1552.

I hereby certify that I have been acquainted with Dr.J.

N. Bledsoe and some years ago he was reduced I colore lower than I have ever seen any one that afterwards recovered, with what I supposed to be Dyspepsia and Liver affection, and after trying the prescriptions of many Physicians in this as well as other countries, without relief, he finally succeeded with a preparation of his own in being restored to good health.

M. GABBERT, M. D.

Physicians are requested to try this preparation. We sel satisfied it will sustain the character we give to it in this arbitration.

publication.

Henrsville, January 12, 1852.

Dr. Blensor:—I take the liberty and fell it to be my duty to recommend to all persons suffering from disease of the stomach and bowels, your Alterative Compound, as a very seperior medical treatment about five years for dyspepsia and diarrhea—when having almost despaired of his recovery, I concluded to try your Alterative, two bottles of which, I helieve, entirely cured him.

MICAJAH CAYCE.

Dr. Bleiser — Some time has elapsed since I gave a certificate that my wife had been greatly benefited by your Alterative Compound. I now take pleasure in saving to the public, that my wife had for three or four years been subject to the worst kind of spells of cramp in the stomach from dyspensia. I had tried of several whom I thought to be the best physicians in the place and a great many different medicines, with momentary relief. Being persuaded to try your alterative compound, I did so—and I am happy to say that it has entirely cured her; and I would conscientiously recommend it to all persons suffering from diseases of the liver and dyspepsia.

Huntsville, Sept. 29, 1851. HENTSVILLE, Oct. 17, 1852

HUNTSVILLE, Sept. 29, 1851.

Dr. Bledsor—Having seen the publication of your Alterative Compound, I think it my duty te say to the public, that I had been for years subject to spells of Cramp Colic, in its worst form; that I had tried almost every thing that is given by physicians, and never found any thing that would certainly relieve me, until I tried the above medicine, which has relieved me in every attack in has than an hour.

WM. B. LLOYD.

Giles County, Tenn., Dec. 28, 1851.

Dr. Birnson:—I feel that I should fall short of my duty to you and to those who are afflicted, were I not to further to you and to those who are afficted, were I not to further recommend your Alterative Compound. It has entirely relieved me, so that I have not had cause to take anything in two months. I can eat anything I want with impunity, and believe my health is as good as if ever is at my advanced age. Should I ever softer from dyspepsia again I shall be sure to call on you. I am very respectfully your friend.

ELIZABETH J. HARWOOD.

HUNTSVILLE, Ala., August 24, 1851.

This is to certify, that I had suffered for many years with Dyspepsia and Discusses of the Liver. Physician after Physician had prescribed for me without my receiving any benefit, when I commenced the use of Dr. Biedsoe's Alterative Compound, which cured me acquality, and I recommend it because of the same happy effect upon others of my acquain ance. R. R. R.-NO PAIN KILLER.

TO KILL PAIN we must paralyse the nerves, or in other words produce a paley of the part to which the pains killer is applied.

Puls is an unnatura sensation, arising from an injury Pais is an annatura isensation, arising from an injury or disease which, being transmitted along the nerves to the brain, gives an uneasy perception to the mind.

Remedies recommended to Kim Pair, or Pair Kimers, are either producers of Paralysis, or they are not what they are recommended for. If the sufferer of pain is to undergo a auspension of vitality, or if the unfortunate arm or leg, or if the part of the body suffering the tortures of pain, is to suffer an attack of paralysis, we think the the remety must be worse than the disease. And, if Pain is to be Killed, then the nerves that transmitted this sensation, and the senses that perceive its unpleasantness, must be killed also. If, on the other hand, it is not a "pain killer," it is a misnomer, and not what its advertisement claims for it.

Rudway's Ready Relief does not Kim pain, but it subdues its paroxyisms and relieves the sufferer from all painful and aneasy sensations. Radway's Ready Relief is quick in its action—it insantly relieves, and immediately after sets about removing the cause of the pain, it seakes and cares, it relieves and removes the troubling cause, and hence the joy it infuses.

R. R. R. Its Two Actions.—The primary action of Radway's Ready Relief is, to allay the effects of any painful amediately accomplish, for it is so powerful in action accomplish, for it is so powerful in action accomplish, for it is so powerful in action

will immediately accomplish, for it is so powerful in setion so quick and effectual, that the moment it is applied or taken the painful paroxyisms are relieved, and the unsound paris made whole, strong, healthy and vigorous.

External Pains—Rhenmatism.—Radway's Ready External Pains—Rhenmatism.—Radway's Rem'ty Relief applied externally to the parts where the pain is fell, will instantly allay the proxyisms, scatter the cause, or the congested deposits, which cause the pain, and, in a few moments the sufferer will be quite easy. If the attack is recent a few applications will cure it.

If Chronic, Radway's Removating Resolvent, used in connection with the Ready Relief, is certain to cure Rheumatism in its most aggravated forms, whether Syphilitic Schafte—nervous, muscular or inflamatory (for wonderful cases of Rheumatism, cared by R. The unnatural and violent irritations that afflict the system while it is under the influence of these malades, will, in a moment, yield to the southing and pain-relieving efficacy of the R. R. It allays irritation, it arrests spassmodic action, it neutralizes the poisonous missma that causes these painful and weakening discharges; it culivers and invigor-ates with warmth and surength the cold, cramped, and shrivelled limbs and joints, and restores each member and oversion of the body to a healthful and increase addition organ of the body to a healthful and vigorous condition.

Radway's Ready Relief, and each of the R. R. Reme dies, are made from the active properties of medicines.— Nothing inert or imetive enters their composition, so that the system is not clogged with worthless and inert matter. In conclusion we would remind the reader that Sadway's Ready Robel, relieves the sufferer from pain (not kills,) and cures or removes all unnatural causes of Rheumatic, Neural-
